

FAQ's

*Do we need to attend all tryouts?

We highly encourage you to come to all tryouts for your age group.

We can place you based off of one tryout if necessary.

*When do teams practice?

All teams practice on Sundays. Local and regional teams practice one other weeknight while national teams practice two other weeknights. Weeknight time slots are either 5-7 or 7-9pm. Be sure to enter any conflicts in the tryout registration form as we do our best to work around those!

*Why is the deposit due before team placement?

All of our tryouts have multiple coaches evaluating players and placing them on the correct team level. We ask for the deposit by the end of tryouts so we know you are serious about playing and we won't have to change teams around after placements have been made. If you choose not to pay the deposit by the end of your tryout, you will not be placed on a team.

*Why aren't jerseys included in the club fees?

We realize many area clubs include jerseys in their team fees. We choose not to as we have our jerseys on a two year rotation. This saves you money as you aren't required to purchase a new jersey (or multiple) every year.

*Where are tryouts held?

*All tryouts are held at our facility in Muskegon. 3367 Hoyt Street
Yes, even ISO North tryouts are located in Muskegon.*

*Is my tryout fee and deposit refundable?

No, the tryout fee and deposit are not refundable.

***What happens to my deposit if I don't make a team?**

We do our best to place everyone on a team. If there is a time where we cannot place someone, we will gladly refund your deposit.

***What is my total cost for a club season?**

*Your costs will vary from season to season. Here is a breakdown by year and season. 1) Club fees (each season) 2) Mizuno package (once/year) 3) Jersey (on a two year rotation) 4) AAU registration (once/year) 5) Tryout fee (once/year). You are also in charge of your own travel fees. Coach's fees are all included in the club fees. *Budgets are subject to change if the team chooses to change their schedule.*

***Can I come pick up my Mizuno package items and jersey after I place my order online?**

All Mizuno packages and jerseys will be handed to the players at a practice before they start tournaments. Please do not come to Inside Out to pick it up after ordering, as the gear will not be here/ready. ISO North players, we will have a coach bring it to a practice for you so there is no need for you to drive back to Muskegon.

***Does everyone get equal playing time?**

No. In a perfect world, everyone would put forth the same amount of effort and have the same athletic ability. This world is far from perfect. That being said, everyone will get some playing time in all tournaments. This is determined by the position they play, their athletic ability, if they are attending practices and positional training, and their coachability.
