

# *Inside Out Jrs North Program*

After many years of running a satellite program as ISO North and ISO Morley, we have made the difficult decision to end the program effective immediately.

In the past few years it has become more difficult to get quality coaches that have the available time needed to coach travel teams. We appreciate everyone that has been a part of the program as coaches, players, and parents, as well as those that helped direct the program. The need for Inside Out to run a North program has become less necessary as more local programs have become available.

For those looking to continue playing for Inside Out, you are welcome to try out for our Muskegon based teams as we anticipate multiple teams at each age level for both Regional and National Teams
